Baby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone

So fellas grab your ladies and make it real wetBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone

Come here, girlCome over here and let me take off your clothes
'Cause things I wanna do to you, nobody has to know
Just lay your body right here, lady have no fear
'Cause ecstasy is near, oh yes it isAny unexpected positions
Anything unexpected, bring it on
Any secret fantasies
You see I will fulfill as long as you sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone

To put your hands on those dukes and get closer
Here we goNow let me feel your body next to mine
I wanna see you sweat, girl, you're so very wet, yes
Now put me inside of you, do what you wanna do, yeah

I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meLet me kiss you in the right place
So I can see 'Sex me baby' written on your face
Slow baby, slow baby steady as we go
Up and down to a sixty-nine tempoYeah, now throw your body parts around
Now let me hear you make a ooh aah sound
'Cause I'm your lover man

So call your other man and say you found another manBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
I want you to sex meBaby, take off your clothes and come on
Turn off the lights 'cause girl it's on
Now that we are all alone
