Ain't Selling Out

Kenny Wayne Shepherd

I hear you, hear you talkin'
Goes in one ear and right out the other
Not surprised where you come from
What you want might be easy for someoneBut not me, I don't see it
Can't you see that it just not my style
You said please, I said sorry
'Cause I am what I am and that's all thenAll of these things that you want me to be
It means nothin' to me and that's then
And when I try it's a thorn in my side
And it's pullin' me down, I'm tellin' you I ain't sellin' outThere's a smile on my face
And it's there for a good reason
Ain't no shame in my game
Tell me what in the hell were you thinkin'All of these things that you want me to be
It means nothin' to me and that's all then
And when I try it's a thorn in my side
And it's pullin' me down, I'm tellin' you I ain't sellin' outHere's a message for you people
And I'm layin' it out on the table
If you don't like it, I don't care
'Cause I'm right here, I ain't goin' nowhereAll of these things that you want me to be
It means nothin' to me and that's all then
And when I try it's a thorn in my side
And it's pullin' me down, I'm tellin' you I ain't sellin' out
