Peace On Earth

Lee Aaron

We are the children, every life so precious
Sometimes I think, that God will soon forget us
We gun down our brothers, who stand in freedom's name
Discover our preachers, sinning without shame

Falling stars, raining fire, from the sky (ahh)
Tell me why (ahh), I bow my head this night
Help us to see

(Now I lay me down to sleep)
(Pray the Lord our souls to keep)
Peace on Earth
Bring peace on Earth, tonight...

A baby cries, his country, has no food to spare
Lonely old man, nowhere to sleep, no one who cares
We choose to destroy the beauty, that God gave us to share
We're running out of time
Will we try (ahh), or will we die (ahh)
I bow my head this night..
Help us see...

(Now I lay me down to sleep)
(Pray The Lord our souls to keep)
Peace on Earth
Bring peace on Earth, tonight...

I, believe, that when it rains His tears are fallin'
I believe..., that somewhere He can hear us calling out

Falling stars, raining fire, from the sky (ahh)
Will we die (ahh), I bow my head this night..
Help us see...

(Now I lay me down to sleep)
(Pray The Lord our souls to keep)
Peace on Earth
Bring peace on Earth, tonight...

I believe..

(Peace on Earth...)
(Peace on Earth...)
