Safest Place

Karylle

Oh woah
Oh woahYou're not drowning
You're not lost
You're not broken
You're not starcrossedKeep you far
Keep you far from what I know
You'll be fine, you'll be fine
Just don't look closely nowWe'll run straight through the valley
And into where you want it to be
Swim past the shadows
In the words that echo off the streets
If you're looking for truth
Don't come looking for me
You're better off not knowing
Cus you're story
Is the safest place you'll ever be (Oh woah)I was hoping
That you'd be fine
The lies are unfolding
Cover your eyesKeep you far
Keep you far from what I know
You'll be fine, you'll be fine
Just don't look closely nowWe'll run straight through the valley
And into where you want it to be
Swim past the shadows
In the words that echo off the streets
If you're looking for truth
Don't come looking for me
You're better off not knowing
Cus you're story
Is the safest place you'll ever be (Oh woah)You'll ever be (x2)
Oh oh oh ohKeep you far
Keep you far from what I know
You'll be fine, you'll be fine
Just don't look closely nowWe'll run straight through the valley
And into where you want it to be
Swim past the shadows
In the words that echo off the streets
If you're looking for truth
Don't come looking for me

You're better off not knowing
Cus you're story
Is the safest place you'll ever be (Oh woah)
