One More Night

Bob Dylan

One more night, the stars are in sight
But tonight I'm as lonesome as can be
Oh, the moon is shining bright, lighting everything in sight
But tonight no light will shine on me
Oh, it's shameful and it's sad, I lost the only pal I had
I just could not be what she wanted me to be
I will turn my head up high to that dark and rolling sky
For tonight no light will shine on me
I was so mistaken when I thought that she'd be true
I had no idea what a woman in love would do
One more night, I will wait for the light
While the wind blows high above the tree
Oh, I miss my darling so, I didn't mean to see her go
But tonight no light will shine on me
One more night, moon is shining bright
And the wind blows high above the tree
Oh, I miss that woman so, I didn't mean to see her go
But tonight no light will shine on me
