

# One More Night

**Bob Dylan**

One more night, the stars are in sight  
But tonight I'm as lonesome as can be  
Oh, the moon is shining bright, lighting everything in sight  
But tonight no light will shine on me  
Oh, it's shameful and it's sad, I lost the only pal I had  
I just could not be what she wanted me to be  
I will turn my head up high to that dark and rolling sky  
For tonight no light will shine on me  
I was so mistaken when I thought that she'd be true  
I had no idea what a woman in love would do  
One more night, I will wait for the light  
While the wind blows high above the tree  
Oh, I miss my darling so, I didn't mean to see her go  
But tonight no light will shine on me  
One more night, moon is shining bright  
And the wind blows high above the tree  
Oh, I miss that woman so, I didn't mean to see her go  
But tonight no light will shine on me
