Reggae Music

UB40

I said we friendship come first, the band did come second
And that's why I decided to put it in a song
So listen crowd of people and throw up unnu hands
If you love dem their style and you love dem patternReggae music, can't refuse it
So give us what we want and mek we gwan
Reggae music, can't refuse it
So give us what we want and mek we gwanI said, yes, crowd of people we come back again
I man Thriller E. and all me best best friends
I know most of dem from age eleven
And some of dem even before thenWe travel the whole world, think it could never end
But don't get me wrong it a no big problem
'Cos reggae what we love and that's what we defend
And that there love that could a never endReggae music, can't refuse it
So give us what we want and mek we gwan
Reggae music, can't refuse it
So give us what we want and mek we gwanSo let me get back to the subject of me friends
'Cos me respect and love, love the whole of them
And that there love that could a never end
And now it is time to hail the whole of themMe love me Mickey V. him in a category
Robin on guitar him just a nice up every bar
Me love me Astro because him deh pon de go
Me love me Norman, 'cos him a don gorgonMe love me Ali C. with his golden voicee
Him nice up every dance nice up every party
Me love me Brian T. Pon the saxophonee
Buttons pon the bone, Patrick him a hit the high CThem bad pon their own or in a section of three
And that only leaves me and Jimmy
Jimmy a the drummer me a the Bassee
And that is the whole of UB40Reggae music, can't refuse it
So give us what we want and mek we gwan
Reggae music, can't refuse it
So give us what we want and mek we gwanI said we friendship come first, the band did come second
