

She's a Woman

Whitesnake

She got everything I need,
She makes me smile, she makes me bleed
'Cause she's a woman She got the end, she got the means,
She's in my heart and in my dreams
An' it makes me cry I want to make her mine She ain't black, but, she got soul,
She ain't young, she ain't old,
She shine like silver, burn like gold
'Cause she's a woman, she's a woman She got everything I need,
She got comfort, she got speed
She's a woman, she's a woman She do me bad, she do me good,
She got the Gypsy in her blood
'Cause' she's a woman, she's a woman She ain't black, but, she got soul,
She ain't young, she ain't old,
Shine like silver, burn like gold
She's a woman, she's a woman She got a fire in her eyes,
I know she sees through all my lies,
'Cause she's a woman, she's a woman I know I'm the danger zone
If I leave her all alone
'Cause she's a woman, she's a woman She ain't black, but, she got soul,
She ain't young, she ain't old,
Shine like silver, burn like gold
She's a woman, woman,
She's a woman, she's a woman She's a woman, woman,
She's a woman She got everything I need,
She make me smile, she make me bleed
She's a woman, she's a woman She got the end, she got the means,
She, make me shiver in my jeans
'Cause she's a woman, she's a woman She ain't black, but, she got soul,
She ain't young, she ain't old
She shine like silver, burn like gold
'Cause she's a woman, she's a woman She's a woman
