I Cried

Dodie Stevens

Do you remember how we'd hold each other tight?
It was all I had to get me through the night
I can't believe that you are gone
Everything right, it all went wrong
Do you remember how we kissed?
You said you never felt like this
I guess I thought it'd never end
You know that you were my best friend
I cried, and I don't care who knows it
I cried, I ain't too proud to show it
I cried when you said goodbye
Ooh, baby, I cried
I wonder if you ever think of me
Or am I just another distant memory?
And after all that we've been through
It's just so hard to give up on you
I cried, and I don't care who knows it
I cried, I ain't too proud to show it
I cried when you said goodbye
I cried, and I don't care who knows it
I cried, and I ain't too proud to show it
I cried when you said goodbye
When you said goodbye, I cried, I cried
I cried when you said, when you said
When you said goodbye
Ooh, baby, I cried, I cried
