

# Problem Solved

## Kaiser Chiefs

Problem solved  
It's easier said than done  
A problem solved  
Reveals another one to be done  
Convinced I'm not  
I know there's still a lot to be done  
Convinced I'm not  
I wish I was happy with my lot I wish I was happy happy happy with my lot  
I see you walking down the street  
You know who you are  
Smiling all the time An empty head  
Is not something I would aspire to  
But that being said  
It must be nice to be oblivious  
Content I'm not  
I know there's still a lot to be done  
Content I'm not  
I wish I was happy with my lot I wish I was happy happy happy with my lot  
I see you walking down the street  
You know who you are  
Smiling all the time What does it take to make you listen?  
What does it take to make you understand?  
What does it take to make you listen?  
What does it take to make you understand? A problem solved  
Don't be too quick to reach for champagne  
Plenty more  
Business rattling around my brain  
Convinced I'm not  
I know there's still a lot to be done  
Convinced I'm not  
I wish I was happy with my lot
