

# The Color of Right

## Rush

I don't have an explanation  
For another lonely night  
I just feel this sense of mission  
And the sense of what is rightTake it easy on my now  
I'd be there if I could  
I'm so full of what is right  
I can't see what is goodIt's a hopeless situation  
Lie awake for half the night  
You're not sure what's going on here  
But you're sure it isn't rightMake it easy on yourself  
There's nothing more you can do  
You're so full of what is right  
You can't see what is trueA quality of justice  
A quantity of light  
A particle of mercy  
Makes the color of rightGravity and distance  
Change the passage of light  
Gravity and distance  
Change the color of right
