The War

Lee Michaels

How would you feel
If you had fight the war
What would you do
If they called on youHow would you feel
If you had fight a war
If they called on youHow would you like
To shoot your brothers down
Could you march on
If it had to be doneHow would you like
To have to wear a flag
Of a country
Promoting warHow would you like
To join the killingWhat would would you do
It's up to youWhat would you do
It's up to youHow would you like
To spend five years in jail
For refusing
To fight a warOr how would you like
To se a baby burn
Could you march on
And kill one moreCould you march on
And kill one moreCould you kill
Eh eh
Could you kill one more?
OHHHHHHHHHHHHHHHHH
Could you kill
Could you kill one more?
Ehhh ahhhh
