

# Because of You (Acoustic Version)

## Skunk Anansie

Because of you  
The tears dead in my eyes  
They freeze until I'm blind  
The eyes a gift from you Because of you  
The scratches on my face  
Will never be erased  
By someone else's warmth Because of you  
The boys will always say  
The bitch is back again  
So none of you are save Because of you  
The winter feeds my heart  
While summer blows and burns  
My disappearing youth My love is gone  
Never feel again  
Because of love  
I feeeeeel nothing Because of you  
I'll never feel again  
The agony of pain  
Will never bruise or start Because of you  
Our passion tends to lead  
With all my lovers fate  
With pieces from my heart My love is done  
Never feeeeeel again  
Because of love  
I feel nothing Because of love  
I feel nothing Because of you  
Because of you  
Because of love  
I feeeeeeel nothing  
Because of love  
I feel nothing
