Let It All Go

Birdy

I've been sleepless at night
'Cause I don't know how I feel
I've been waiting on you
Just to say something realThere's a light on the road
And I think you know
Morning is coming
And I have to goI don't know why, I don't know why
We need to break so hard
I don't know why we break so hardBut if we're strong enough
To let it in, in, in
We strong enough
To let it go, oho, ohoLet it all go, let it all go
Let it all out nowIf I look back to the start now
I know, I see everything true
There's still a fire in me heart, my darling
But I'm not burning for youWe started it wrong
And I think you know
We waited too long
Now I have to goI don't know why, I don't know why
We need to break so hard
I don't know why we break so hardBut if we're strong enough
To let it in, in, in
We strong enough
To let it go, oho, ohoLet it all go, let it all go
Let it all out now
Let it all go, let it all go
Let it all out nowWho says, who says?
Who says, who says?
Who says truth is beauty after all?
And who says love should break us when we fall?But if we're strong enough
To let it in, in, in
We strong enough
To let it go, oho, ohoLet it all go, let it all go
Let it all out now
Let it all go, let it all go
Let it all out nowWe're strong enough
To let it go, oho, oho
