

# Show Me Love

Steve Angello & Laidback Luke feat. Robin S

Yeah, we back  
Slim Thugga, Mannie Fresh  
This for the real niggas in the club, mayne  
Holla at 'em Fresh  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
Don't call it a comeback, 'cause I been here for years  
Wreckin' my peers, through the blood, sweat and tears  
Here it is, Thugga back at it like a addict  
No matter the price, give it here I gotta have it  
When I step up out my house, everyday I gotta show off  
Clean than a bitch with the price tag tow off  
Everythang new, straight up out the mall  
From my pants, to my shirt, to my shoes, to my draws  
I show ya how to ball, take notes and keep looking  
Stay tuned to the show and see what Thugga got cooking  
Money back guaranteed, everyday I'm a go off  
I'm rich than a bitch, shit I might as well show off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off

Clean in this bitch with the price tag tow off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
Thugga fresh like a Mannie be, Dillerman, hand me keys  
Pull up off the lot, drop coupe, three hundred G  
Man, it's so fun to be me, I'm the wannabe  
On ya TV, yeah G, I'm the one you see  
The rose was the blessing so I pull that out the Sunday  
The Benz the work card, so I pull that on Monday  
The coupe good on gas, so I dry that all week  
And I pull out my slab, when I shut down the streets  
I'm a beast, hit the jury man with my peeps  
Big hundred carrot badge, I'm the captain of the streets  
Roll deep like police, blue boys got it lock  
Ya see me on patrol in ya hood on yo block  
Holla  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
When I hit the club all the girls show me love

'Cause worldwide they be fuckin' with Thug  
Because the boss got class, the boss stay G'ed

'Cause I live in the H, and got hoes round the globe  
Stacking up you want, I'm getting doe by the low  
That's how I stay froze and fresh with the clothes  
My closet got mo kicks than they got in the sto's  
I pop tags, shirt match my badge  
Eyelids low, looking at the Prada glass  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off  
Clean in this bitch with the price tag tow off  
In the streets  
(In the streets)  
In the club  
(In the club)  
All the real muthafuckas show me love  
(Show me love)  
Now I open up this bitch and I'm a show you how to show off
