Tangled Up In You

Staind

You're my world, the shelter from the rain
You're the pills that take away my pain
You're the light that helps me find my way
You're the words when I have nothing to sayAnd in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in you
Still tangled up in youYou're the fire that warms me when I'm cold
You're the hand I have to hold as I grow old
You're the shore when I am lost at sea
You're the only thing that I like about meAnd in this world where nothing else is true
Here I am still tangled up in you
I'm still tangled up in youHow long has it been since this storyline began
And I hope it never ends and goes like this foreverIn this world where nothing else is true
Here I am still tangled up in you, tangled up in you
Im still tangled up in you
Still tangled up in you
