

# Hot To Death

## Everlast

We're gonna be breakin' it down

(Yeah)

You gotta know the feel

You gotta know the life

You know what I'm sayin'

(Hey)

I said, 'What's goin' wrong?'

You know it just ain't right

Tell me who be loud

When the spark ignite

Now from the break daylight

To the fall of the sun

You gotta pick your fight

It's time to choose your gun

Front to back

Right to left

Keep it live all night

Make it hot to death

Get your heart pumpin'

Like some crystal meth

Keep it live all night

Make it hot to death

Well, hey

Tell me who's your God?

Does he make a lotta dough

I'm gonna take you higher

Or to the fire below

Front to back

Right to left

Keep it live all night

Make it hot to death

Get your heart pumpin'

Like some crystal meth

Keep it live all night

Make it hot to death

Guns to roses

Abraham to Moses

Daylight exposes

What the night conceals

Let's break these seals  
And get this thing started  
Some be out classed  
Some be out smarted  
Some be over bound by the blindin' rays  
I hear the whisper in the night  
Get trapped in the maze  
See back in the days  
When I was juvenile  
I dreamed of rockin' on the mic  
In a brand new style  
Now I'm shakin' these bones  
Tryin' to get these shoes  
Outbided major crews  
I'm paid crazy dues  
Now I'm speakin' on you  
They just slept on me  
And rumors start spreadin'  
Just like a disease  
I'll have you down on your knees  
Below the spot ground zero  
Turn brown and burn down  
Rome just like Nero  
A hero ain't nothing but a  
Don't make me say it again  
Legend, don't make me say it  
Front to back  
Right to left  
Keep it live all night  
Make it hot to death  
Get your heart pumpin'  
Like some crystal meth  
Keep it live all night  
Make it hot to death  
That's what I'm sayin'  
That's what I'm sayin'
