## Rivermaya

Native sun arising  
Concrete walls are falling  
Down into the sea  
Are you as happy as me? Native sons are sleeping  
Concrete walls are calling  
Peg questions, give no clue  
Am I as happy as you? Refrain  
He's just a local boy  
It's good he doesn't know  
It's good he doesn't know  
He's just a local boy  
Native walls are calling  
Concrete sons are falling  
Are you as happy as you?  
Peg questions give no clue Native walls arising  
Concrete sons are sleeping  
Am I as happy as me?  
Down into the sea (Repeat Refrain) Native walls arising
