

# I Can't Get Over You

[Julie Roberts](#)

Ive been tryin for a long, long time  
But no matter what I do  
When I turn to leave my heart stays behind  
Cause I cant get over youI keep movin on, runnin hard and fast  
But everywhere that I run to  
Im just standing still, livin in the past  
Cause I cant get over youIf memories were like the leaves that fall  
The wind would have carried them from my mind  
The seasons pass but they never change  
A broken heart cant keep timeIf memories were like leaves that fall  
The wind would have carried them from my mind  
The seasons pass but they never change  
A broken heart cant keep timeWhile I watched as colors faded in the sun  
The color of my love stays true  
Ive been letting go now but Im not holdin on  
I just cant get over you  
I just cant get over you
