

# Pick Up

## Dierks Bentley

I dialed seven digits five times today,  
Just to hear you say you love or hate me,  
I'll take anything,  
I just wanta hear your voice,  
Comin' through the line like a heart shaped knife,  
Cut me down baby, one more time,  
Good or bad baby,  
Yes, No, Maybe,  
Drivin' me crazy\*CHORUS\*  
Won't you pick up the phone,  
I can pick up some wine,  
I can pick you up in my pick-up truck,  
And we can pick up right where we left off,  
Ain't that what we both want,  
Pick up the pieces girl,  
It ain't that broke,  
Pick up the past and just let it go,  
Put down that over me,  
Never wanna see me again,  
Goodbye kinda stuff and pick-up You're putting me through hell one ring voicemail,  
Baby I can tell that you ain't on the other line,  
Accept, Naw, Decline,  
How can I tell you if you won't listen,  
How can I tell you what I've been missin',  
If you don't, don't, don't,  
If you won't, won't, won't,\*CHORUS\*  
Won't you pick up the phone,  
I can pick up some wine,  
I can pick you up in my pick-up truck,  
And we can pick up right where we left off,  
Ain't that what we both want,  
Pick up the pieces girl,  
It ain't that broke,  
Pick up the past and just let it go,  
Put down that over me,  
Never wanna see me again,  
Goodbye kinda stuff and pick-up Oh, pick-up,  
Put down the mistakes we made,  
And the words we didn't mean to say\*CHORUS\* Won't you pick up the phone,

I can pick up some wine,  
I can pick you up in my pick-up truck,  
And we can pick up right where we left off,  
Ain't that what we both want,  
Pick up the pieces girl,  
It ain't that broke,  
Pick up the past and just let it go,  
Put down that over me,  
Never wanna see me again,  
Goodbye kinda stuff and pick-up Can you pick up,  
I dialed seven digits five times today,  
Just to hear you say you love or hate me,  
I just wanta hear your voice
