Swallowing Air

Ned's Atomic Dustbin

I didn't call this far, I've been so careful
I've swallowed air, now I've had my bellyful
So now I want to get something for me
Now I want to get something for me
I've swallowed air, I've had my bellyfulI don't want to lose it when we have no cause
I don't want to lose it but the choice is yoursYou don't compare to anything I have
I want to stare, I don't want a photograph
It's about time you did something for me
It's about time you did something for me
I want to stare, I don't want a photographI don't want to lose it when we have no cause
I don't want to lose it but the choice is yours
