

# Out In the Fields

Gary Moore

It doesn't matter if you're wrong or if you're right  
It makes no difference if you're black or if you're white  
All men are equal till the victory is won  
No color or religion ever stopped a bullet from a gun  
Out in the fields the fighting has begun  
Out on the streets, they're falling one by one  
Out from the skies a thousand more will die each day  
Death is just a heartbeat away  
It doesn't matter if you're left or to the right  
Don't try to hide behind the cause for which you fight  
There'll be no prisoners taken, well the day is done  
No flag or uniform ever stopped a bullet from a gun  
Out in the fields the fighting has begun  
Out on the streets, they're falling one by one  
Out from the skies a thousand more will die each day  
Death is just a heartbeat away  
There's no communication  
No one to take the blame  
The cries of every nation  
Have fallen on deaf ears again  
Out, out, out, out, out  
Out in the fields, out in the fields  
Out in the fields  
They are falling one by one  
No flag has ever stopped a bullet from a gun  
Death is just a heartbeat away, a heartbeat away  
Death is just a heartbeat away, a heartbeat away  
The fighting has begun  
They're falling one by one  
A thousand more will die each day, out  
Out in the fields, out
