

# Merry Christmas Everybody!

Connie Talbot

Snow is falling, all around me,  
Children playing, having fun,  
'Tis the season for love and understanding  
Merry Christmas everyone.  
Time for parties and celebration,  
People dancing all night long,  
Time for presents and exchanging kisses,  
Time for singing christmas songs.  
We're gonna have a party tonight  
I'm gonna find that girl underneath the misteltoe,  
We'll kissed by candlelight  
Room is swaying, records playing  
All the songs, we love to hear  
All I wish that everyday was christmas  
What a nice way to spend the year  
We're gonna have a party tonight  
I'm gonna find that girl  
Underneath the mistletoe, we'll kiss by candle light

Snow is falling, all around me  
Children playing, having fun  
'Tis the season for love and understanding  
Merry christmas everyone  
Merry christmas everyone  
Oah merry christmas everyone  
Snow is falling, all around me  
Children playing, having fun  
It's the season, love and understanding  
Merry christmas everyone  
Snow is falling, all around me  
Children playing, having fun  
It's the season, love and understanding  
Merry christmas everyone  
Snow is falling, all around me  
Children playing, having fun  
It's the season, love and understanding  
Merry christmas everyone  
Merry christmas everyone  
Merry christmas everyone!
