

The Ascension

Phil Wickham

Verse 1:

This is the start
Of something amazing
A moment when heaven touches the earth
Here in our hearts
Lord, we are waiting
For something that's far beyond what we have seen or heard

Chorus:
Let us start the ascension

Let's begin the climb
Up this holy mountain where Your glory shines

Further up

Further in

Just to be with You again

Let us start the ascension

Verse 2:

We're fixing our eyes

On glory and fire

Your Name is branded on our hearts

You are the Source

Of all our desire

Nothing can hold us back

We're running to where You are

Chorus:

Let us start the ascension

Let's begin the climb

Up this holy mountain where Your glory shines

Further up

Further in

Just to be with You again

Let us start the ascension

We run to Your light

Chorus:

Let us start the ascension

Let's begin the climb

Up this holy mountain where Your glory shines

Further up

Further in

Just to be with You again

Let us start

Chorus:

Let us start the ascension

Let's begin the climb

Up this holy mountain where Your glory shines

Further up

Further in
Just to be with You again
Let us start the ascension We run to Your light
