

# American Money

## BÃ~RNS

I was there when you fell from the clouds  
And landed in the desert  
There was a thunder inside of my heart  
There was a wonderful pleasure

And like a stallion raised in the rain  
You rode on the back of my bike  
I knew from the song that you sang  
That you were my lover for life

Oh, there's no time to sleep  
Oh, living in a dream

So take me to the paradise  
In your eyes  
Green like American money  
You taste just right  
Sweet like Tennessee honey

And we can run away  
Swimming in the sunlight everyday  
Oh, paradise in your eyes  
Green like American money

So we took to the calico road  
Running from the weather  
There was a highway inside of her eyes  
There was a buried treasure

And we got caught in the storm  
You started flying the kite  
At the end was the key to my heart  
You were my lover for life

Oh, there's no time to sleep  
Oh, living in a dream

So take me to the paradise  
In your eyes  
Green like American money

You taste just right  
Sweet like Tennessee honey

And we can run away  
Swimming in the sunlight everyday  
Oh, paradise in your eyes  
Green like American money

We carved our love in the mountainside  
We soaked our hearts in the rain  
And I, waited my whole life, for you

So take me to the paradise  
In your eyes  
Green like American money  
You taste just right  
Sweet like Tennessee honey

And we can run away  
Swimming in the sunlight everyday  
Oh, paradise in your eyes  
Green like American money
