Hat 2 Da Back

Tlc

Being that I am the kinda girl that I am
Nobody can make me do what I don't want to
I can be myself a lot and I'm proud of what I got
So I'll never change for you
Being that I am the kinda girl that I am
Tight jeans don't hit the scene with one like me
I got to be feeling free
And you better believe I'll do what pleases me
Yo left eye kick the scene
See everyday last week and not a place to go
This nut still had me dressin' like a fashion show
But not this week I'm chillin' 'cause it's nothin' to hide
Threw on my baggy dips and waited for my ride
He pulled up knock knock 'til I opened the door
Peeped my gear and started dissin' me from head to toe
But yo just to let you know, it's takin' ta make me wanna say
Gotta go, gotta go
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl I am, that's the kinda girl I am
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl that I am
Here we go, here we go, here we go again
Being that I am the kinda girl that I am
Some people just don't understand the things I do
You feelin' it D, you feelin' it?
Chillin' with the girls or kick it with the fellas if I choose
Being that I am the kinda girl that I am
Dumb rules are left for fools with no attitude
I think my way is cool
So let me be me and continue being smooth
Yo left eye what's up wit' that guy?
So yo gettin' back to this dude wit the foul attitude
Shoot he made another bad move sayin' that
Girls shouldn't wear baseball caps he can go take a hike
'Cause it's the style I like yeah it's a trip
'Cause somethin' hasn't yet been said
I never talked about them damn fingerwaves in his head
Tight pants and 2 rings in each ear
You know that is dead but it's me instead

Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl I am, that's the kinda girl I am
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl that I am, here we go again
That's the kinda girl I am
Don'tcha know I really don't give a damn?
Let me be me for me and not what I'm supposed to be
So I'm gonna do what I wanna do
'Cause dumb rules are left for silly fools
That's the kinda girl that I am, ohh
Here we go, here we go, here we go again
Some people might wonder why we're like that
'Cause we're smooth, smooth [Incomprehensible]
Relatively speakin' I am no ordinary dip
'Cause I ain't reachin' hipped 'til you be thinkin' I'm flipped
And that is ooh on the TLC tip, 1 2 3 4 y'all
Here we go again
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl I am, that's the kinda girl I am
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl that I am, here we go again
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl I am, that's the kinda girl I am
Hat 2 da back, I gotta kick my pants down real low
That's the kinda girl that I am, here we go again
