

# Hat 2 Da Back

Tlc

Being that I am the kinda girl that I am  
Nobody can make me do what I don't want to  
I can be myself a lot and I'm proud of what I got  
So I'll never change for you  
Being that I am the kinda girl that I am  
Tight jeans don't hit the scene with one like me  
I got to be feeling free  
And you better believe I'll do what pleases me  
Yo left eye kick the scene  
See everyday last week and not a place to go  
This nut still had me dressin' like a fashion show  
But not this week I'm chillin' 'cause it's nothin' to hide  
Threw on my baggy dips and waited for my ride  
He pulled up knock knock 'til I opened the door  
Peeped my gear and started dissin' me from head to toe  
But yo just to let you know, it's takin' ta make me wanna say  
Gotta go, gotta go  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl I am, that's the kinda girl I am  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl that I am  
Here we go, here we go, here we go again  
Being that I am the kinda girl that I am  
Some people just don't understand the things I do  
You feelin' it D, you feelin' it?  
Chillin' with the girls or kick it with the fellas if I choose  
Being that I am the kinda girl that I am  
Dumb rules are left for fools with no attitude  
I think my way is cool  
So let me be me and continue being smooth  
Yo left eye what's up wit' that guy?  
So yo gettin' back to this dude wit the foul attitude  
Shoot he made another bad move sayin' that  
Girls shouldn't wear baseball caps he can go take a hike  
'Cause it's the style I like yeah it's a trip  
'Cause somethin' hasn't yet been said  
I never talked about them damn fingerwaves in his head  
Tight pants and 2 rings in each ear  
You know that is dead but it's me instead

Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl I am, that's the kinda girl I am  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl that I am, here we go again  
That's the kinda girl I am  
Don'tcha know I really don't give a damn?  
Let me be me for me and not what I'm supposed to be  
So I'm gonna do what I wanna do  
'Cause dumb rules are left for silly fools  
That's the kinda girl that I am, ohh  
Here we go, here we go, here we go again  
Some people might wonder why we're like that  
'Cause we're smooth, smooth [Incomprehensible]  
Relatively speakin' I am no ordinary dip  
'Cause I ain't reachin' hippe 'til you be thinkin' I'm flipped  
And that is ooh on the TLC tip, 1 2 3 4 y'all  
Here we go again  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl I am, that's the kinda girl I am  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl that I am, here we go again  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl I am, that's the kinda girl I am  
Hat 2 da back, I gotta kick my pants down real low  
That's the kinda girl that I am, here we go again
