

Tear It Loose (Live Version)

Twisted Sister

There ain't no way I'm gonna wait for Saturday Night
I worked all day, I slaved away, I gotta set it right
I'm gonna hit the streets, cruise around, I gotta find some action Ain't gonna stop until I drop or get some
satisfaction!
Gonna tear it, gonna tear it loose
Blast my way into the night
Gonna shout it from the roof
I'm gonna live my dream, shout and scream!
I'm gonna tear it loose, tear it loose
Tear it loose, tear it loose
Tear it loose, tear it loose
Come on now, tear it loose, tear it loose
Here comes the night and it just ain't right to be shut in or shut out
I've been brutalized, computerized, punched in and punched out So I'm breaking down the barricades, gonna
slow the hands of time
Cause to waste away the rest of the day is such a fucking crime!
Gonna tear it, gonna tear it loose Gonna shout it from the roof
I've got to tear it loose, tear it loose
Blast my way into the night
I'm gonna live my dream, shout and scream!
Tear it loose, tear it loose
You've got to tear it loose, tear it loose
Tear it loose, tear it loose Solo - left: Jay Jay, right: Fast Eddie Clarke I'll keep grabbin' hold of all the gold in
this old world of trash
Long as there's light breaking through the night I'm never gonna crash
And if I'm down and out one day, I won't throw in the deuce
Gonna tear it, gonna tear it loose Gonna shout it from the roof
I'll just kick it out, thrash about till I tear it loose, oh
Blast my way into the night
We got to tear it loose, tear it loose
I'm gonna live my dream, shout and scream!
Tear it loose, tear it loose Alright, let's tear it loose, tear it loose
Tear it loose, tear it loose
