Be My Number Two

6 Cycle Mind

Won't you be my number two?
Me and number one are through
There won't be too much to do
Just smile when I feel blueAnd there's not much left of me
What you get is what you see
Is it worth the energy?
I leave it up to youAnd if you got something to say to me
Don't try to lay your funny ways on me
I know that it's really not fair of me
But my heart's seen too much actionAnd every time I look at you
You'll be who I want you to
And I'll do what I can do
To make a dream or two come true
(If you be my)
If you be my number twoAnd if you got something to say to me
Don't try to lay your funny ways on me
I know that it's really not fair of me
But my heart's seen too much actionAnd every time I look at you
You'll be who I want you to
And I'll do what I can do
To make a dream or two come true
(If you be my)
If you be my number two
