# Dissolve

## Hibou

I know you, your affection
You go untamed
Team the next, do you travel fast?
Do you understand?Yeah, we dissolve
In time we're cleansing our eyes
In the moments of love
And I'll soon be change your mindCame, I'm safe, energy in the sun
A love of mine
No excuse, you're hearing out
So make it known
Baby, breathe in the sun
And I'll be closer on it
In the moments of love
Then I think you'll change your mind
