

# Take My Heart

Tyler Scruggs

Don't have no fancy occupation  
I can't fly you to the Moon  
Ain't got nothing in my pocket  
But I got enough Love for you  
I don't drive a Lamborghini (no I don't)  
All my clothes are old used  
Ain't got no house on the hill, Girl  
But I got enough Love for you  
You're all I need  
Can't put a price tag on it  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you  
Ain't got no time to pay  
But if I gave one thing away  
Take my Heart today (ooooohhhooooooooohhhh)  
Take my Heart today (ooooohhhooooooooohhhh)  
And let me show what you been missing (my love)  
And show what Love's supposed to do (what's it's supposed to do oh)  
We don't need no Magic or Money  
Cause I got enough Love for you  
It don't take no rocket Science  
To know that I'm your dream come true  
Let me promise you this one thing  
That I got enough Love for you (got so much Love for you)  
You're all I need  
Can't put a price tag on it  
  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you  
Ain't got no time to pay  
But if I gave one thing away  
Take my Heart today  
You're all I need  
Can't put a price tag on it  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you

Ain't got no time to pay  
But if I gave one thing away-ay-ay-ay  
You're all I need  
Can't put a price tag on it (price tag on it)  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you (time on you)  
Ain't got no time to pay (got no time to pay)  
But if I gave one thing away  
Take my Heart today (take my heart today)  
ooooohhhooooooooohhhh  
Take my Heart today  
ooooohhhooooooooohhhh  
Take my Heart away  
ooooohhhooooooooohhhh  
Take my Heart today  
ooooohhhooooooooohhhh
