

# As I Please

## Beatsteaks

You don't guess my name  
But I've come to rearrange  
Gotta put yourself at ease  
I do exactly as I please

And I know you can be whole  
So don't you ever forget that

Listen it up and take the town  
Forget about the circus  
Listen it up and fake the crown  
And bounce around the circus

Listen to the ones who drive you home

Now you guess my name  
Why I've come to rearrange  
Gotta put yourself at ease  
I do exactly as I please
