Free Spirit

Khalid

We were runnin' onto something
And we didn't say forever but it's all we wanted
You were so in love with simple thingsAnd now we're searching for the fire, dripping kerosene
I've been lovin' more, livin' less
Off of highs and lows, so obsessedCouldn't get nothin'
But we're never runnin' out, we'll beFree spirits, free spirits
Can you hear me calling?
Oh, it's all or nothing
When you're free spirits, free spirits
Can you hear it calling?
'Cause I don't wanna live no normal life, let go
Is this Heaven or Armageddon?
Are we gettin' high, we could've watched the ending
We were trodding down our memories
A cemetery full of bottles that are incomplete
When you're loving more, caring less
It's the highs and lows with no clears
And we wanted it all then
But we'll never runnin' out, we'll beFree spirits, free spirits
Can you hear me calling?
Oh, it's all or nothing
When you're free spirits, free spirits
Can you hear it calling?
'Cause I don't wanna live no normal life, let go
So tell me when you're falling
Though I could never doubt our love
Can you hear me calling?
Is it everything you're dreaming of?
Leave it all on the line
As long as you're not leaving me, well I am yours
YoursFree spirits
Free spirit
Free spirit
