Uh, I got more blocks than my tom boat

Two hoes who like J Lo In my condo

Shot a money, count it

Cause I need some help to count it

If their wallet lie then with it mount it

First day had to count it

Like MJ, I'm a ten clip

So I'm a fuck a French too

I go in like a curfew

Let me fuck around and murk you

Front wheels on twenty one

Back wheels on twenty two

Top drop and Easter lightning is painting off Carolina blue Aye, I'm Michael Jordan bitch in every city
