Cash Cash

Cash Cash

Busta Buss[Neon Hitch - Chorus]

I've been dancing with the devil

He was always good to me

And I've been walking in the shadow of a friendly enemy

But now I'm f*cking broken, living in the moment

Should've known that you would bring me down

Yeah, I've been dancing with the devil

Like oooh(beat break)[B.o.B][Neon Hitch - Chorus]

I've been dancing with the devil, He was always good to me, and I've been walking in the shadow of a friendly enemy, But now I'm f*cking broken, living in the moment, should've known that you would bring me down, yeah I've been dancing with the devil, like oooh[Busta Rhymes]

[Neon Hitch]

Hey, hey hey, I knew you were trouble, trouble, trouble, Don't wanna look you in the face, face face, I knew you were trouble, trouble trouble[Neon Hitch - Chorus]

I've been dancing with the devil

He was always good to me

And I've been walking in the shadow of a friendly enemy

But now I'm f*cking broken, living in the moment

Should've know that you would bring me down

Yeah, I've been dancing with the devil Ooooooh

Should've known that you would bring me down,

Yeah I've been dancing with the devil, like oooooh

[Beat Break]
