

# The Daze (feat. Madame Buttons)

Syn Cole

The sky is falling but I didn't notice a thing  
I heard the angels calling  
Now maybe I'm lost in a daze

Mazes and mirrors  
I'm not seeing clear when you're here, when you're here  
Magic and moonshine  
I'll dive in your high tide, my dear, my dear

I'm lost in a daze  
Daze, daze, daze  
I'm lost in a daze  
Daze, daze, daze

The sky is falling but I didn't notice a thing  
I heard the angels calling  
Now maybe I'm lost in a daze

Mazes and mirrors  
I'm not seeing clear when you're here, when you're here  
Magic and moonshine  
I'll dive in your high tide, my dear, my dear

I'm lost in a daze  
Daze, daze, daze  
I'm lost in a daze  
Daze, daze, daze
