

Come to the Cross (feat. Sean Carter)

Charity Gayle

Come follow me, I heard Him say
Come follow me, Iâ€™ll show you the way
Leave all behind, Iâ€™ll grant you treasure on high
Come follow me, leave all behind

Come to the cross where sinners are saved
Come to the cross where all debts are paid
Here at the cross the Son of God gave His life
Here at the cross, come to the cross

Come and behold, see where he lay
Come and behold an empty grave
He is alive; thereâ€™s victory in Jesus Christ
Come and behold, He is alive.

With the Spiritâ€™s power dwelling now within
We will take our cross, we will follow Him
And tell the world of His cleansing blood
And that through the cross we have overcome
With the Spiritâ€™s power dwelling now within
We will take our cross, we will follow Him
And tell the world of His cleansing blood
And that through the cross we have overcome

Come to the cross, come and be safe
Come to the cross where sinâ€™s washed away
Fall on your knees before the Lord God Most High
Fall on your knees, give up your life
Fall on your knees, give up your life
