

The Joker

The Coronas

When we first met.
You didn't know.
But I saw a spark.
In your soul.
When you told me, to go home. It's so weird, you never fight.
Endless days. Flawless nights.
I'm so glad you, changed your mind. Oh. I wish you could see.
All I see.
I need you to believe.
In me.
See how amazing this could be?
Well I can't seem.
To explain.
How this love.
Could never fade.
And my life won't, be the same. Oh. I wish you could see.
All I see.
I need you to believe
In me.
See how amazing this can be? Now... Now... Now... Ooh.
Now... Now... Now... Ooh Now how could you not know?
There was a spark inside your soul.
When you told me to go home.
That night.
Why can't you see?
Why can't you see?
Why can't you see? Oh. I wish you could see.
All I see.
I need you to believe.
In me.
See how amazing this can be? (I've been doing alright.
But it's not easy.
Sometimes. You'll never let me loose.
Please believe me.
I'm grateful for you.
You always seem, to be there.
When I'm angry, you don't care.
You give me what I need.
Temporary release. So when you're in my arms.

I feel so safe.
Cos you take me.
Out of this so called life.
I love the way that your arms.
Can take me away.
When I'm feeling...Down, and I don't know why.
Down, and I don't know why. When I can't see past the rain.
You can keep me, keep me safe.
When I'm laying on my own.
Oh, you'll try to please me.
And I know I'm not. No. You always seem to be here.
When I'm angry, you don't care.
You give me what I need.
Temporary release. Cos when your in my arms.
I feel so safe.
Cos you take me.
Out of this so called life.
I love the way that your arms.
Can take me away.
When I'm feeling...Down, and I don't know why.
Down, and I don't know why. So thank you love.
For taking a stand.
You didn't let me give up.
Now I owe you so much. Cos when your in my arms.
I feel so safe.
Cos you take me.
Out of this so called life.
I love the way that your arms.
Can take me away.
When I'm feeling...Down, and I don't know why.
Down, and I don't know why.
