Just in case you never know it's it's serani
This one is for the ladies eehh uhh

Romance me girl
Come dance with me girl
I needa girl that groovy (groovy)
Lemme take you to a movie

Lemme take you to a movie uhhh

Give a massage
Lemme enter your garage girl
Lemme crash into your bumper
Put me into your collage
The way I feel is... ?
Heart beats like thunder
You won't regret it yes I said it
I swear every word I meant it
So just do what you do and I will love you
And you can count on meeee

Romance me girl

Lemme take you to a movie yeah

Lemme take you to a movie uhh

Rub my belly
And play with my hair
Kiss me on my neck
Tell me what I wanna hear
Tell me you want me inside you
Don't take your tongue off my ears
Girl squeez it inside

Girl ride it right
Up and down and side and side
It's time to swallow your pride
Please don't be shyyyyy

Give me a massage
Lemme enter your garage girl
Lemme crash into your bumper
Put me into your collage
The way I fell is... ?
