My Eyes

E.P.I.C. the Band

Verse:
I find you in the silence
I find you in the storm
Even in the quiet
Even when I'm torn

Prechorus:
When you're all that I have left
You're still more than I need
And with my dying breath
You're all I long to see

Chorus:
My eyes are on You
Your ways are what I hold on to
Your face is what will pull me through
My eyes are on You
