Wild Heart

Saint Raymond

If it was mine to give
She'd think I'd give it up
You call it what you want
I know its not enough
It's just the fool I am
To look the other way
It seems I'm lost again
It seems I've lost my wayBecause I'm searching for something
I hope in my heart I will find
And though its testing my patience
I'll wait I'll be biding my timeYou know it's fine I've got all day
Maybe there isn't a right way
Gotta believe that I won't stray
I don't wanna play these games
All I know is
I don't ever want to tame this wild heart
From beating for anotherIt could be mine to keep
It's only out of sight
You call it what you want
I know that its high time
To walk the open road
Under a dark grey sky
With total faith
In what I'll findBecause I'm searching for something
I hope in my heart I will find
And though its testing my patience
I'll wait I'll be biding my timeYou know it's fine I've got all day
Maybe there isn't a right way
Gotta believe that I won't stray
I don't wanna play these games
All I know is
I don't ever want to tame this wild heart
From beating for anotherAnd I won't turn off the light
And I won't put out the fire
And I won't turn off the light
And I won't put out the fire
And I won't turn off the light
And I won't put out the fire
And I won't turn off the light

And I won't put out the fireYou know it's fine I've got all day
Maybe there isn't a right way
Gotta believe that I won't stray
I don't wanna play these games
All I know is
I don't ever want to tame this wild heart
From beating for anotherYou know it's fine I've got all day
Maybe there isn't a right way
Gotta believe that I won't stray
I don't wanna play these games
All I know is
I don't ever want to tame this wild heart
From beating for another
