

Boombbox (Datsik Remix)

Bassnectar

Blas-blas-blas-blas-blast out Blast out, speakers, I am the seeker
Blast out, speakers, I am the seeker
Blast out, speakers, I am the seeker
(Bang this future world) Best kept secret Spit heat rocks on the track-track
Spit heat rocks on the track, or a boombox
Spit heat rocks on the track, or a boombox,
seat hot, 'cause we won't try to be where sheet knock
Spit heat rocks on track, track-track (Boombox)
Spit heat rocks on the track, or the boombox (Boombox)
Seat hot, bla bla blast out
Blast out speakers, I am the seeker
Bang this future world, best kept secret
Boom, boom, boom, boombox
Boom boom.
Seat hot, blablablablast out
There's nothin' in life that I can't achieve,
'Cause there's nothin' in life that I can't achieve
'Cause there's nothin' in life that blas-blast out
Blast out speakers, I am the seeker. Bang this future world, best kept secret
Bla bla bla blast out
