I like to see my baby, strollin' down the avenue-ooo

It makes me feel so good

'Cause I know she's so fine, too, yeah! She looks so good all the people stop to see

She looks so good all the people stop to see, yeah!

She's so sweet, she said, 'I love it' all to me, yeah! I kiss her in the mornin'

Again at noon and night

Then she kisses me an' says

'Ev'rything alright?' Yes, that's my baby, strollin' down the avenue-ooo

It makes me feel so good

'Cause I know she's so fine, too Eee-yeah-oh! (Instrumental and sax) Eee-yeah-oh! Yeah!

Uh-huh, yeah! YA-HOO!

Oh, yeah! I kiss her in the mornin'

Again at noon and night

Then she kisses me an' says

'Ev'rything alright?' Yes, that's my baby, strollin' down the avenue-hoo

It makes me feel so good

'Cause I know she's so fine, too, yeah! It makes me feel so good

'Cause I know she's so fine, too It makes me feel so good

'Cause I know she's so fine, too

Yeah, man! Ooh, it make me feel so good

'Cause I know she's so fine, too Thank You!
