

Your Love's Amazing

Michael Turner

Jesus

I saw the blood on Your hands
I felt the thorns on Your head
I heard the cry of Your heart
And I am in awe of You

Your love's amazing to me
Your love's amazing to me
Fill my life with your love

Jesus

I saw felt the wall break in two
I saw the stone roll away
Freedom a gift You
Is life to my bones again

Your love's amazing to me
Your love's amazing to me
Fill my life with Your love

Your love's amazing to me
Your love's amazing to me
Fill my life with Your love

Let my affections be only for You
Let my desire be only for You
For I am thankful, for all You've done
Done for me

Let my affections be only for You
Let my desire be only for You
For I am thankful, for all You've done
Done for me
