

# Gorgeous (Tracy Young Remix Edit)

[Idina Menzel](#)

In a perfect world, in another time  
In a far off place, we wouldn't need to justify  
Everything we are and all that we believe  
We could finally be whoever we both want to be  
When we can't be heard, when we can't be seen  
I will call you close and you will reach for me  
When all of the beauty turns to pain  
When all of the madness falls like rain  
As long as we crash and we collide  
We will be gorgeous, you and I  
Through the window pane, through the bedroom door  
The city wants to fight but it can't touch us anymore  
We have come so far, we have shed our skin  
The more that's taken from us now, the more we have to give  
And when we can't be heard, and when we can't  
be seen  
I will call you close and you will reach for me  
When all of the beauty turns to pain  
When all of the madness falls like rain  
As long as we crash and we collide  
We will be gorgeous, you and I  
And when we are crowded in the noise  
I'm gonna stop to find your voice  
As long as we crash and we collide  
We will be gorgeous, you and I  
We'll be gorgeous, gorgeous  
We'll be gorgeous in a perfect time  
We'll be gorgeous, gorgeous  
And when we lose our faith and all that's beautiful  
You lift me to this place  
When all of the beauty turns to pain  
When all of the madness falls like rain  
As long as we crash and we collide  
We will be gorgeous, gorgeous  
And when we are crowded in the noise  
I'm gonna stop to find your voice  
As long as we crash and we collide  
We will be gorgeous, yes, we will be gorgeous  
You and I  
And when I lose my faith and don't know what to do  
You lift me to a place that makes me feel so beautiful  
As long as you're right here by my side  
We will be gorgeous, you and I
