Medics Don't Heal Scouts (feat. Dodger)

Random Encounters

SCOUT:
Hey Medic! Don't go!
Please, my health bar's pretty low!

MEDIC:
Look, the Heavy needs my help!
I'm a busy man, you know!

SCOUT:
Come on, show me some compassion!
Forget the status quo!

MEDIC:
Sorry, Medicsâ€¦ don't heal Scouts!

SCOUT:
Hey, câ€™mon, Doc, Iâ€™m dyingâ€™ here!

MEDIC:
Clearlyâ€¦

SCOUT:
Wait, Doc, I'm in pain!
Any moment, I'll be slain!
There's a bullet in my chest-

MEDIC:
And a screw loose in your brainâ€¦

SCOUT:
Oh, the lights are fading quickly~

MEDIC:
This is only just a sprain.
That's why Medicsâ€¦ don't heal Scouts!

SCOUT:
"Uh, I also got stabbed in the ankle-"

MEDIC:

"Go find a Health Kit."

SCOUT:
I'm begging on my knees here
Cause it hurts too much to stand!
I'm the fastest friggin' member of your team!

MEDIC:
â€œTrue, but-"

You're also pretty puny,
with the IQ of a crayon,
And you have the most unhealthy self esteem!

SCOUT:
"That's not true! I think I'm AWESOME!"

Doc, give me one chance!
Yes, I know your friggin' stance!
But my heart's starting to fail me,
and I think I crapped my pants-
You can stitch me, saw me, sew me-
Embed friggin' dove implants-

MEDIC:
"â€¦deal!"

SCOUT:
"Really?"

MEDIC:
â€œYes, but just this once, though, because-"

BOTH:
Medicsâ€¦ don't heal Scouts!
