

# Green Twins

[Nick Hakim](#)

I watch life inside of you grow  
Every month a little bit bigger  
All the things that bothered your soul  
Make me smile and go crazy I wanted to start it with you  
But somebody said we ain't ready  
I admit inside me lives fear  
Fear i never wanted to show you They will always haunt my dreams  
The green twins with your eyes  
They will always haunt my dreams  
The green twins with your eyes We could've moved to LA  
It's always sunny bright out there  
If i had it my way  
We woulda stayed where we started I wanted to start it with you  
But someone said we ain't ready  
I admit inside me lives fear  
Fear i never wanted to show you They will always haunt my dreams  
The green twins with your eyes  
They will always haunt my dreams  
The green twins with your eyes
