Make Love To Me

Rick James

Stuck in the moment,Â caught in an instant
Seconds are eternity.
But filled with nothin' but pleasure,
That's what it is girl, when you play this game with me.

Now I got your body doing things
That you weren't aware you could, no, uh
Now, I don't know a lot of things, but I know what I do good.
I'm trying to tell you

I know you've made love before,
Of that I'm sure indeed.
But you ain't made no love, girl,
'Til you've made love to me baby

Make love to me baby
Uh make love to me girl
Oh make love to me baby
Uh make love to me girl

Yeah yeah

Temperature, risin
Heart rate, increasin
Hearing you breathe heavily.
Let me explore your body
Every position,Â I'll show you everything, baby

Ooh and I got your body doing things
That you weren't aware it could.
Uh now baby, I don't know everything, but I know what I do good.
Now I'm trying to tell you

I know you've made love before,
Of that I'm sure indeed (of that I'm sure indeed baby)
But you ain't made no love, girl,
'Til you've made love to me.

Make love to me babyÂ
Ooh make love to me girl yeah

Yeah make love to me baby
Make love to me girl, yeah

Now, let me make your body go
Ooh na na na na na na (come here)

Now, let me make your body go
Ooh na na na na na na (uh)

Now, let me make your body go
Ooh na na na na na na (uh)

Said let me make your body go
Ooh na na na na na na

I said it feel so good Imma sing it again oh
Ooh na na na na na na

Now, let me make your body go
Ooh na na na na na na (ah)

I know you've made love before (say yeah)
Of that I'm sure indeed (said of that I'm sure indeed baby)
