For No One

Emmylou Harris

The day breaks your mind aches
You find that all her words
Of kindness linger on
She no longer needs youShe wakes up, she makes up
She takes her time
And doesn't feel she has to hurry
She no longer needs youAnd in her eyes you see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted yearsYou want her, you need her
And yet you don't believe her
When she said her love is dead
You think she needs youShe goes out, you stay home
She says that long ago
She knew someone but now he's gone
She doesn't need himAnd in her eyes, you see nothing
No sign of love behind the tears
Cried for no one
A love that should have lasted yearsYour day breaks your mind aches
There will be time when all the things she said
Will fill your head
You won't forget her
