## **Just Breathe**

## **Petite Noir**

Save the world

She said, "Be the change you want to see,
breath the air you would like to breath"

Don't stand in the way of your back

And don't take me away from myself

From myself

Just breathe

Just breathe

Just breathe

You would bring the world
She said, "Be the chang you want to see,
Faking was true to you and me"
I don't want to be the world to you
and don't take me away from myself,

From myself

Just, just, breathe

Just breathe

Just breathe

Just breathe (Just breathe)

Just breathe (Just breathe)

Just breathe (Just breathe)

Just breathe

Just breathe (Just breathe)

End
